

Message from the Mayor

It is my pleasure to extend greetings and a warm welcome to everyone participating virtually in the 2021 Spring for Peace Gala, hosted by Peacebuilders Canada.

I am pleased to see that Peacebuilders Canada is continuing the important work they provide in the community during the pandemic. I want to thank the participants of this gala for your support of the programming provided by Peacebuilders Canada.

Over the past year, COVID-19 has had an adverse effect on students and education. While this has been a difficult and challenging time, I am delighted that organizations like yours have been able to continue their important work in our schools.

Your dedication to restorative justice programs and your commitment to helping young people overcome personal challenges, avoid the criminal justice system and stay in school, is making a big impact the lives of many people.

The City is proud of organizations that are committed to making a difference. Thank you all for participating in this fundraising event and for your contribution to the well-being of our communities. Your dedication and hard work enrich the lives of many on a daily basis and help make our city stronger, more vibrant and healthy.

On behalf of Toronto City Council, please accept my best wishes for a memorable event and continued success.

Yours truly,

John Tory
Mayor of Toronto
